

St. Dominic Home and School Association (HASA)

Dear Parents, Families, and Friends,

The Home and School Association's mission is to support and strengthen St. Dominic School by providing assistance to the pastor, principal, and teachers by bringing into closer relationship the home and the school in the education of children; and to supplement the school's resources with volunteer programs and financial assistance. In an effort to achieve this goal, HASA raises money each year through fundraising and association dues.

The suggested HASA Association dues are \$20 per family. Our goal is 100% participation. In addition to the association dues, we will have two major fundraisers, one in the fall and one in the spring. If you prefer not to participate in these fundraising events but wish to contribute and support HASA, a non-fundraising donation is requested. Please remember ALL money contributed will be used to fund activities in the annual budget. For those grandparents, aunts, uncles, and friends who would like to support HASA, we have a Friends and Family dues option.

If you have any questions, please do not hesitate to contact any member of the HASA Board. Thank you in advance for your participation!

We are looking forward to a great school year!
