

SAINT DOMINIC
CATHOLIC SCHOOL

Dear SDCS Families,

The time has almost come for our pre-school and elementary programs to end the 2018-2019 school year! While those programs close for the summer, our School Age Care program is open all year long - to children from any school. Our program will be open from 7:30 a.m. until 5:45 p.m. Monday through Friday, starting May 13th and ending after August 23rd. We hope that you will consider us for all your summer care needs!

We strive for excellence in our summer program and have a structured schedule that provides the children in our care exercise, creativity, education, and fun! On a weekly schedule, they will participate in arts, crafts, science experiments, fitness games, life skills development, math games, reading, music, and theatre. Twice a month, we even plan to go out on fun field trip adventures!

We have a dedicated staff of caregivers who love and nurture our children. We hope to exceed all expectations of superb care for our SDCS families. We consider it a blessing and a privilege to be able to help children grow and learn as they continue their journey in life as disciples of God.

If you would like to sign up for the SAC summer program, please fill out the following forms. Thank you for letting us be a part of your family!

Blessings,

Valerie Sibila

****Field trips**

Every child in SAC on a field trip day will have to go on the field trip. We will be taking a bus for all trips and the Child Restraint Law will apply. There will be an additional cost per child for trips. Prices and times of field trips may vary depending on the destination. Registration and chaperone volunteer forms will be available the week before each trip and will need to be returned to the school by the Monday of the week of the trip.
